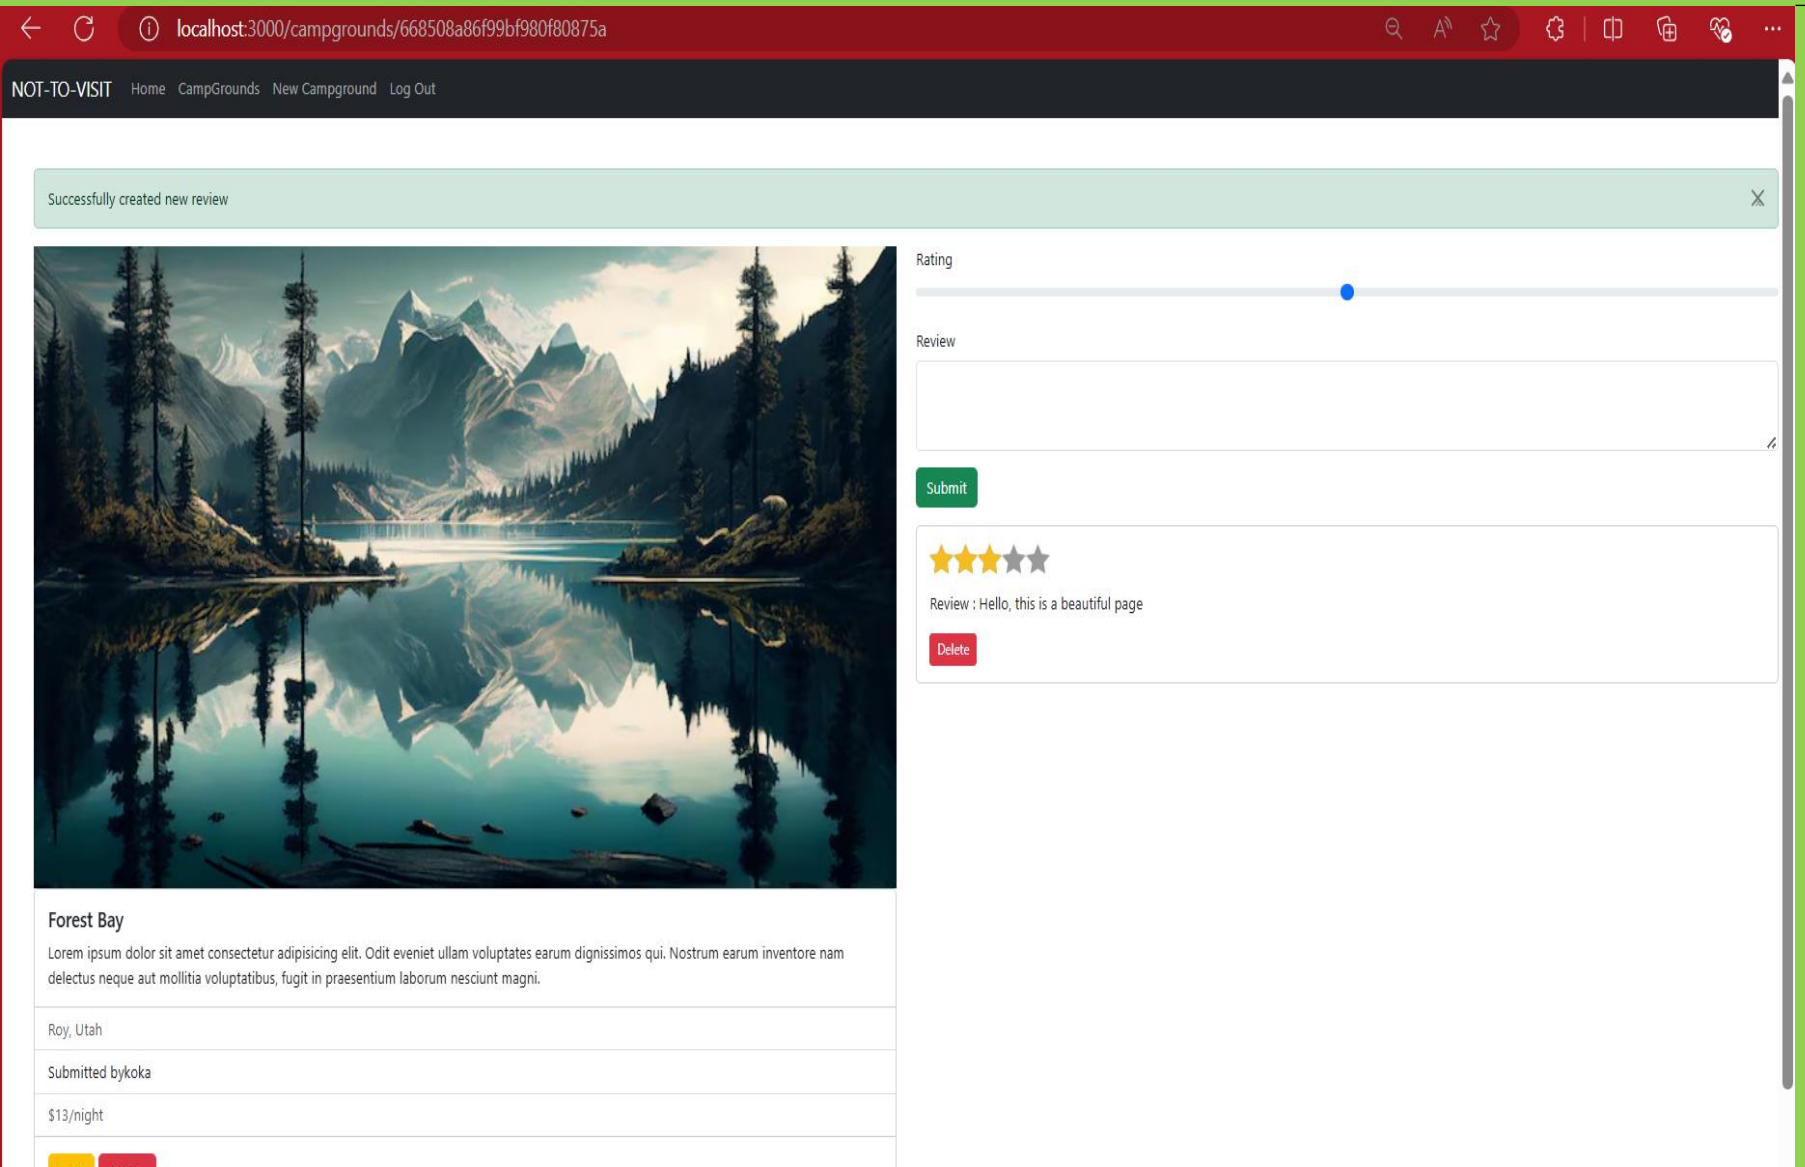
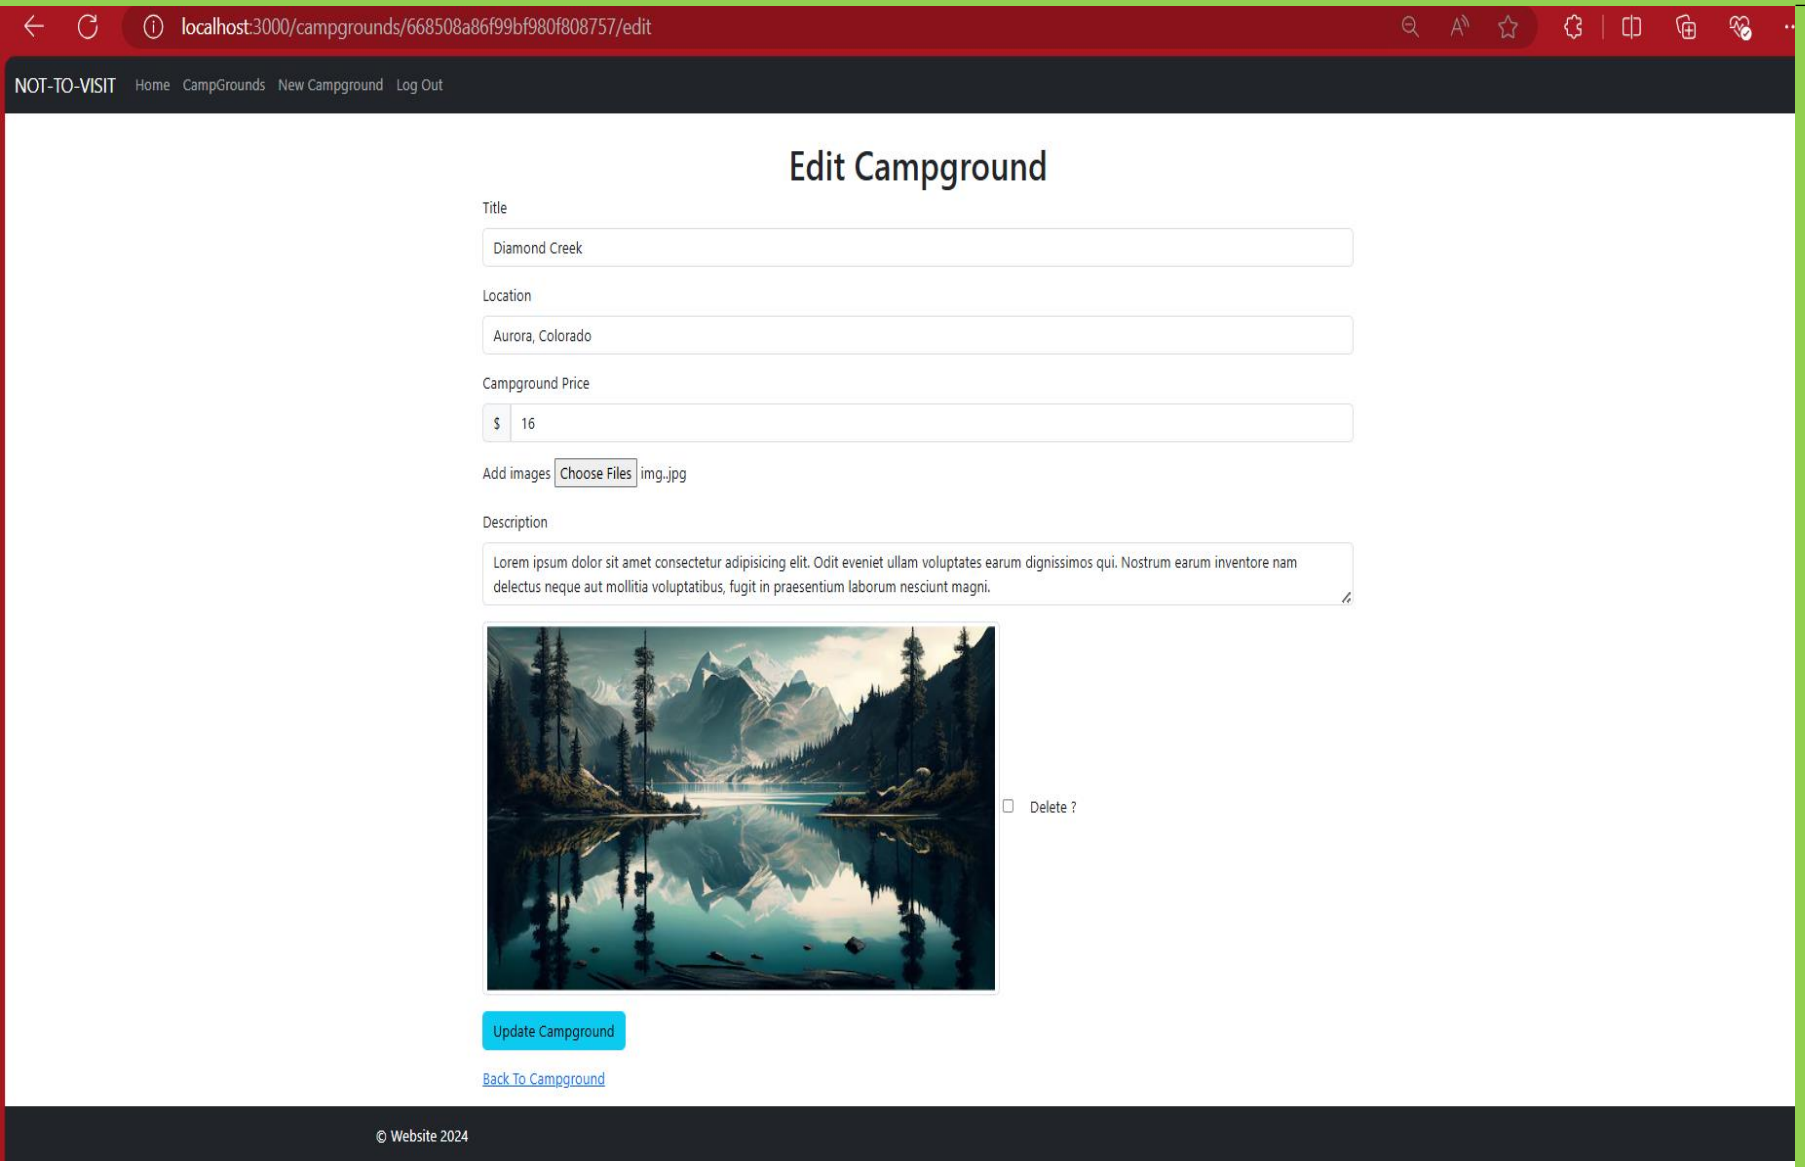
Submitting Review



Key Details :

- You can submit the review here with a review rating and a review body.
- You can also edit the campground now since you have logged in.
- There appears a flash message whenever we make a new review and when page is refreshed, it goes away itself.
- [Technical Detail : Flash is implemented here]

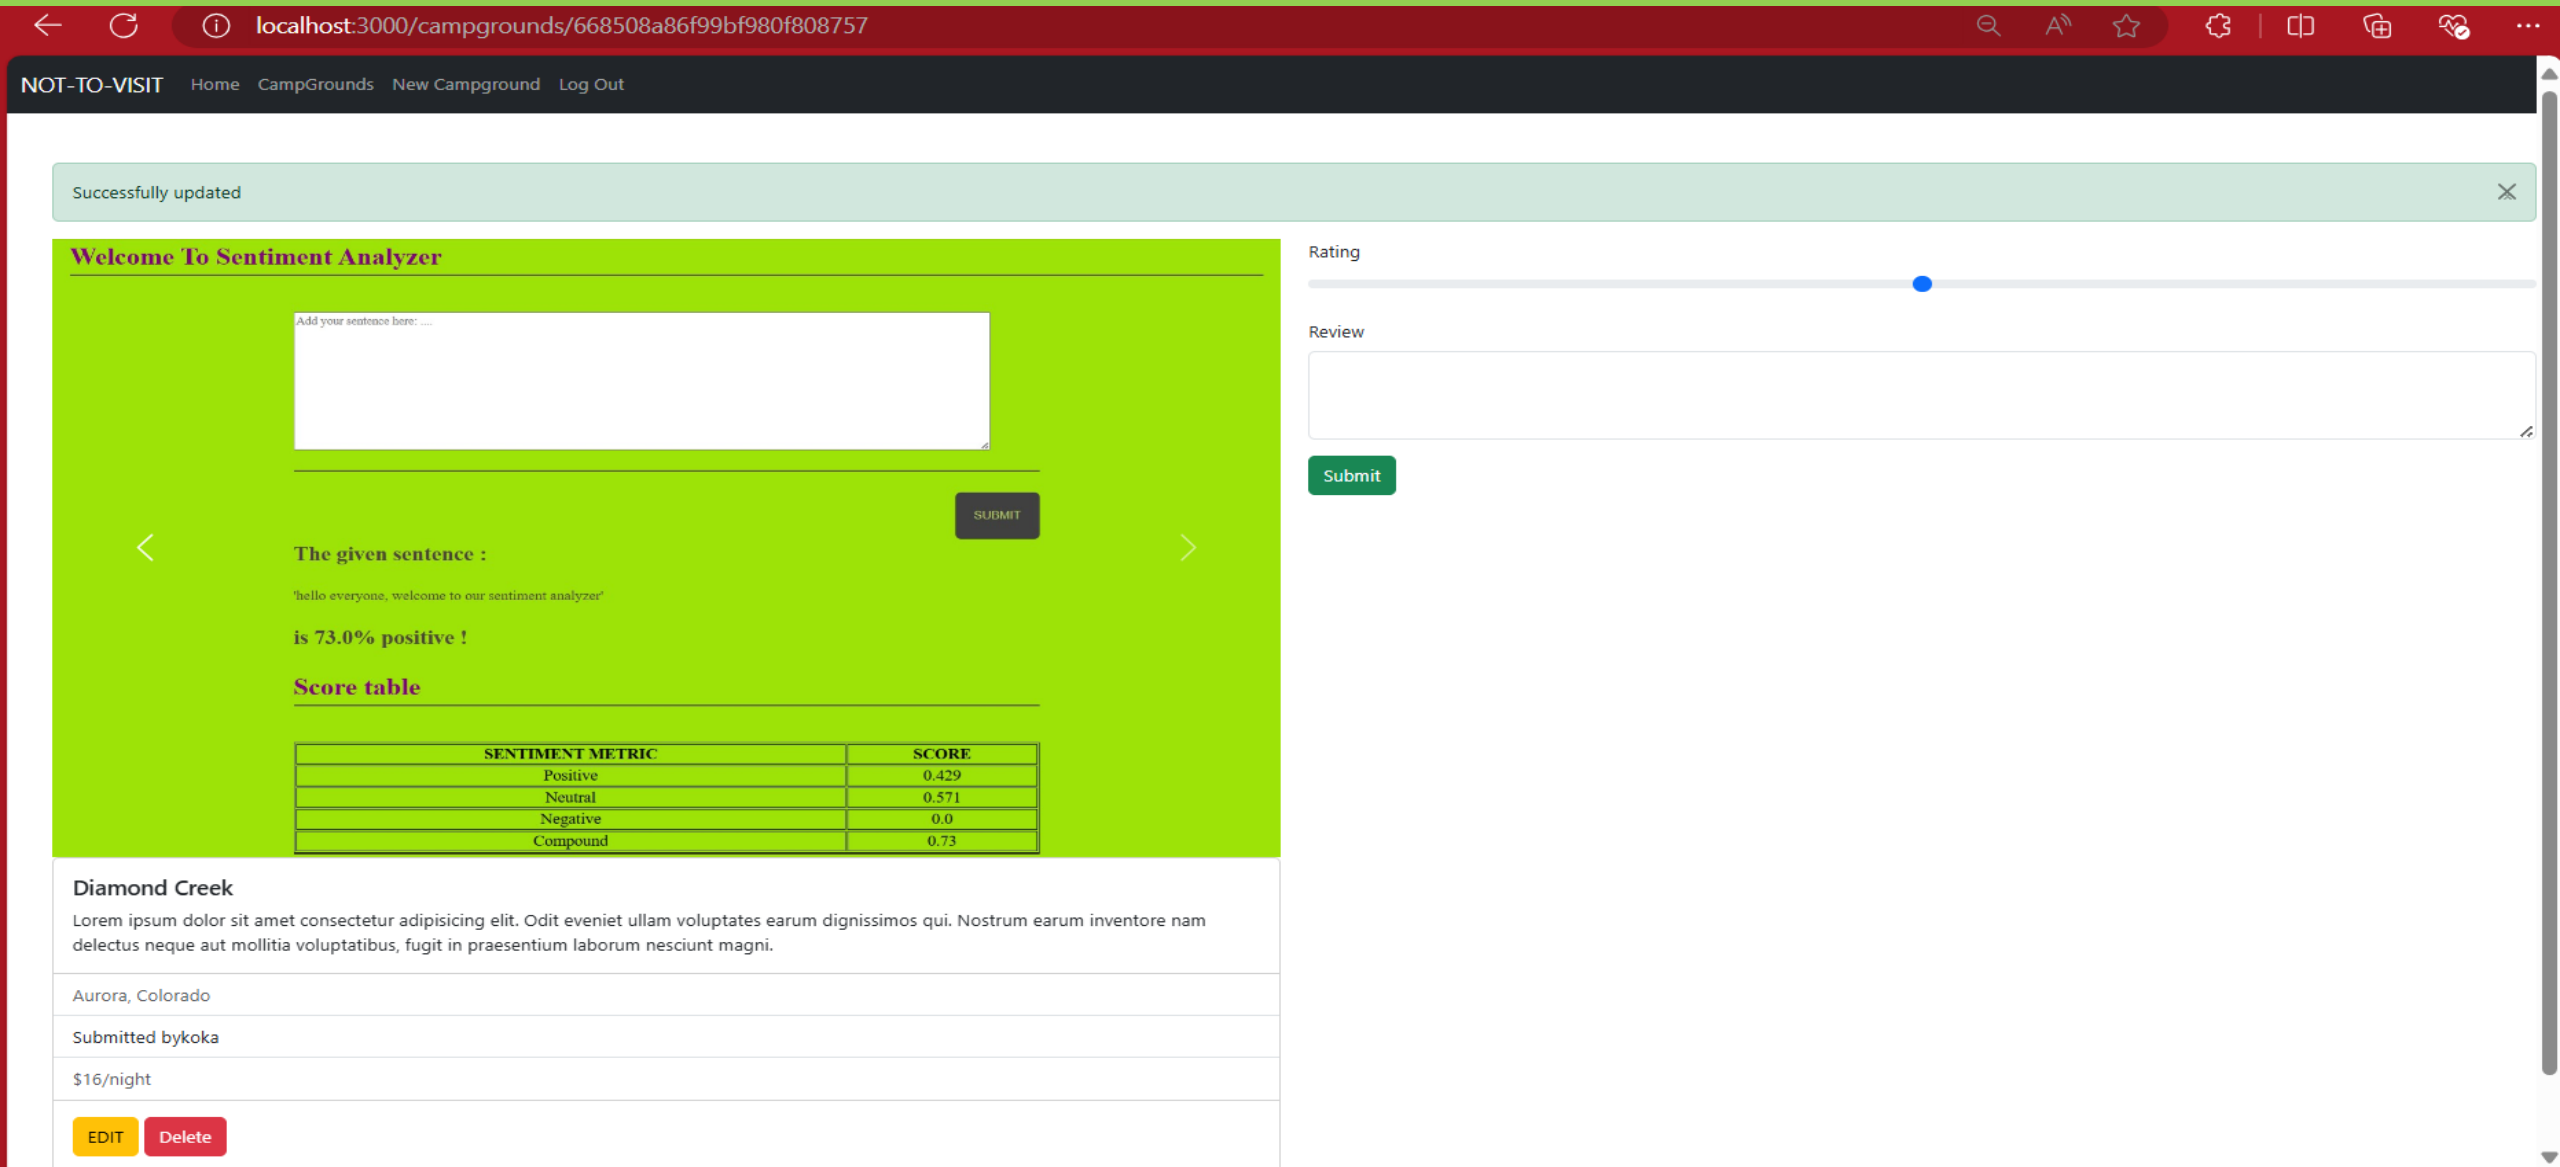
Edit Campground



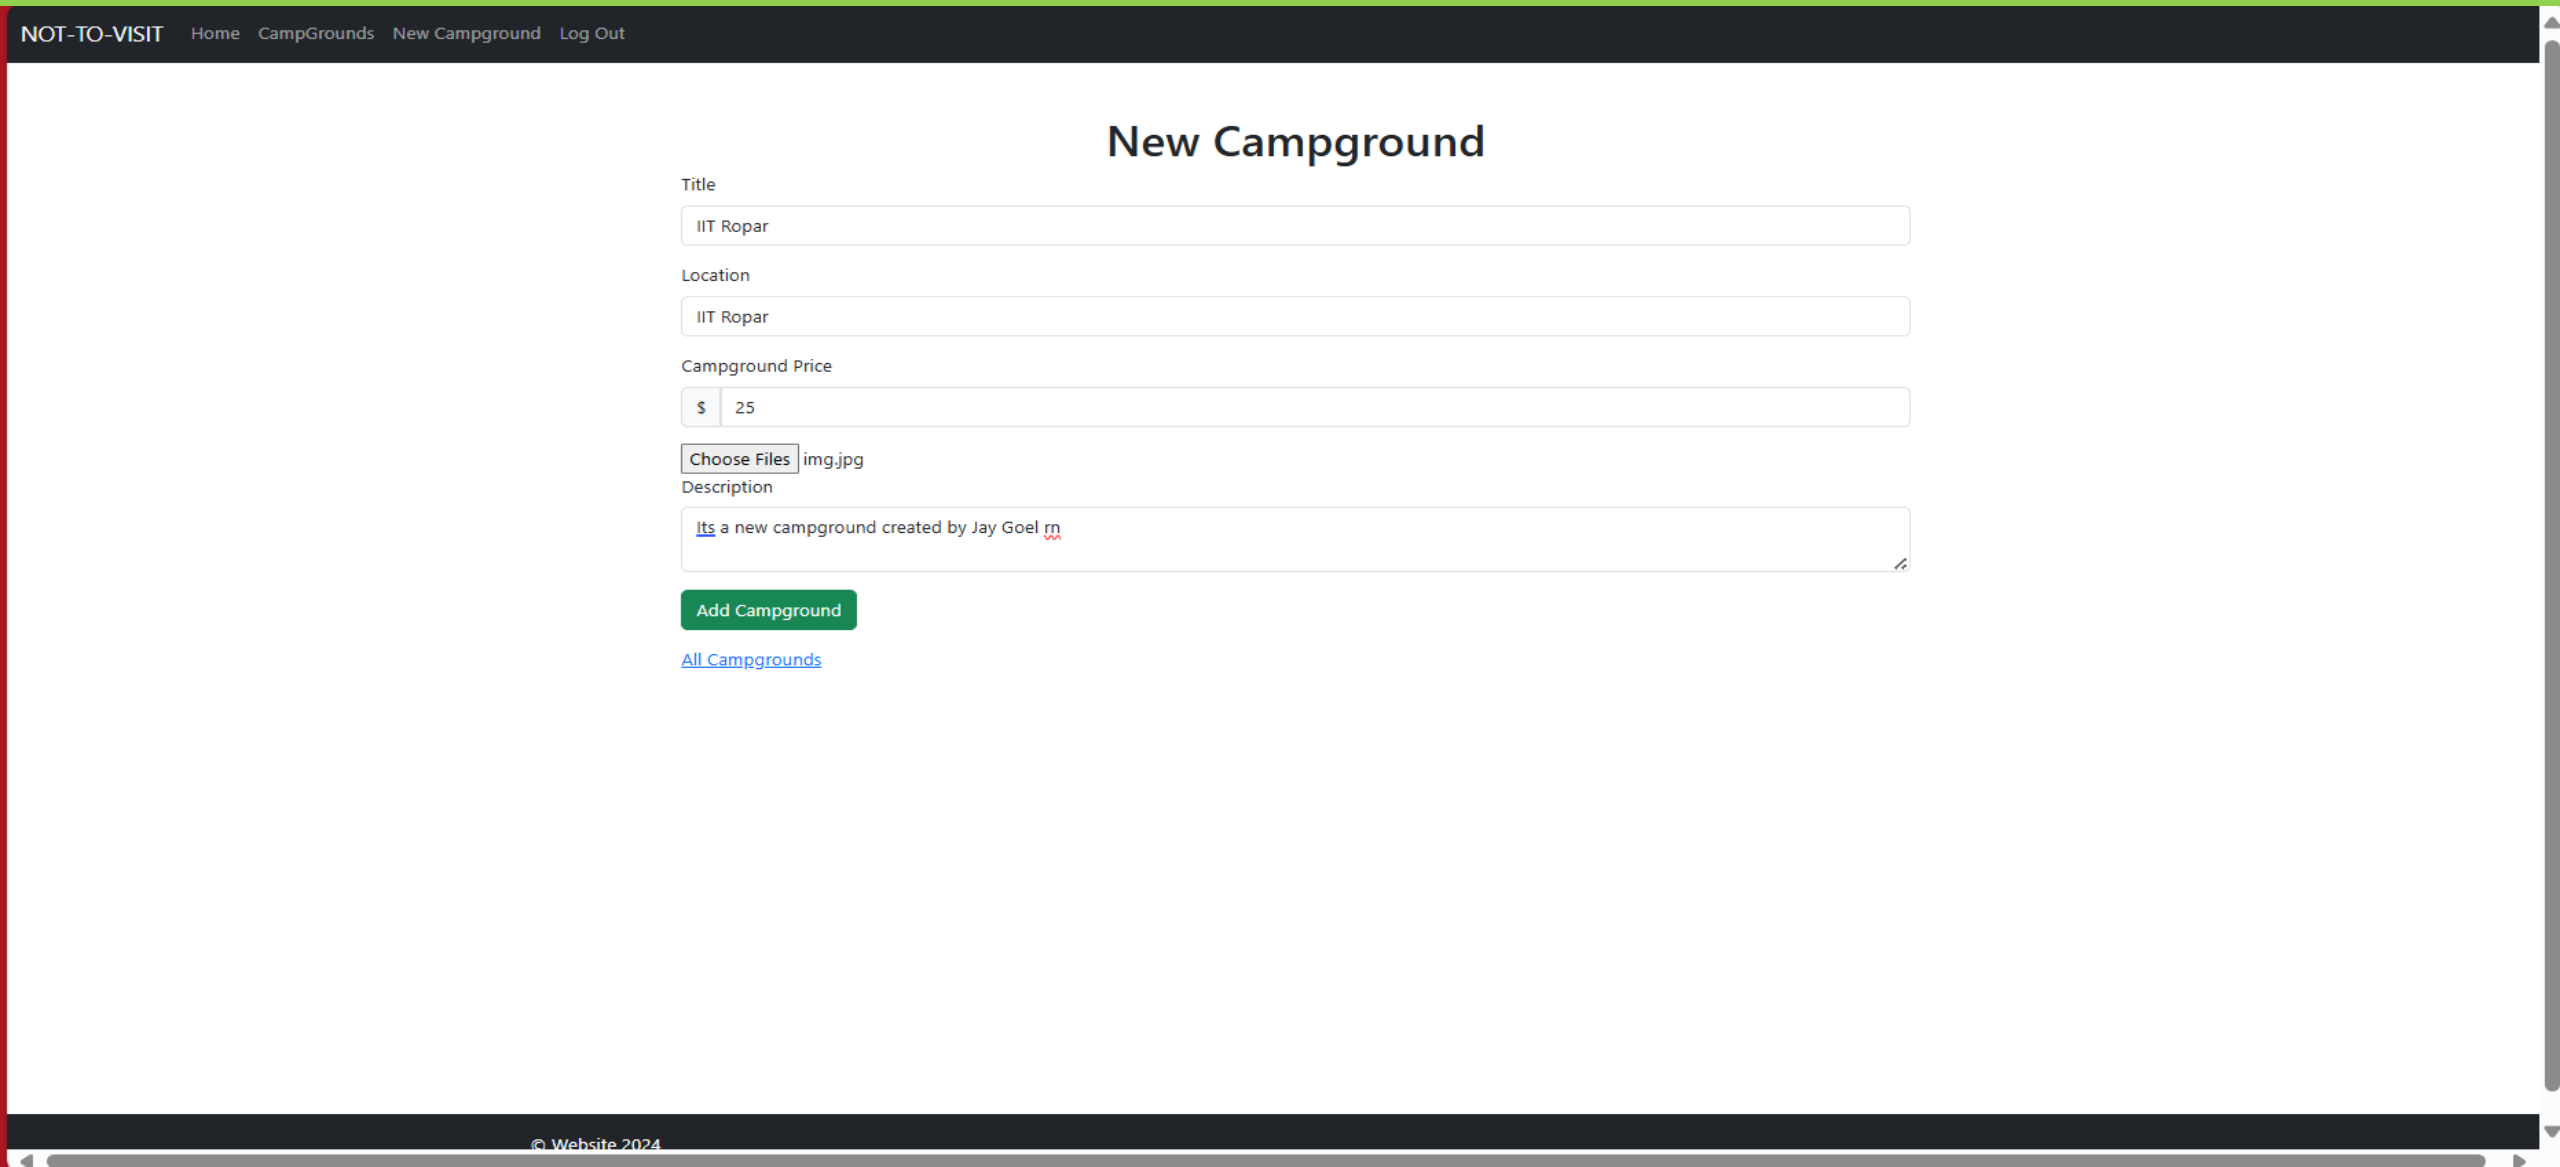
Key Details :

- You can change the features of the campground here.
- You can choose as many images as you like to upload here which will be displayed in carousel later.
- You can also delete the present image or any other image uploaded later.
- [Technical Detail : All images are being stored in 'Cloudinary' rather 'mongo' due to storage issues.]

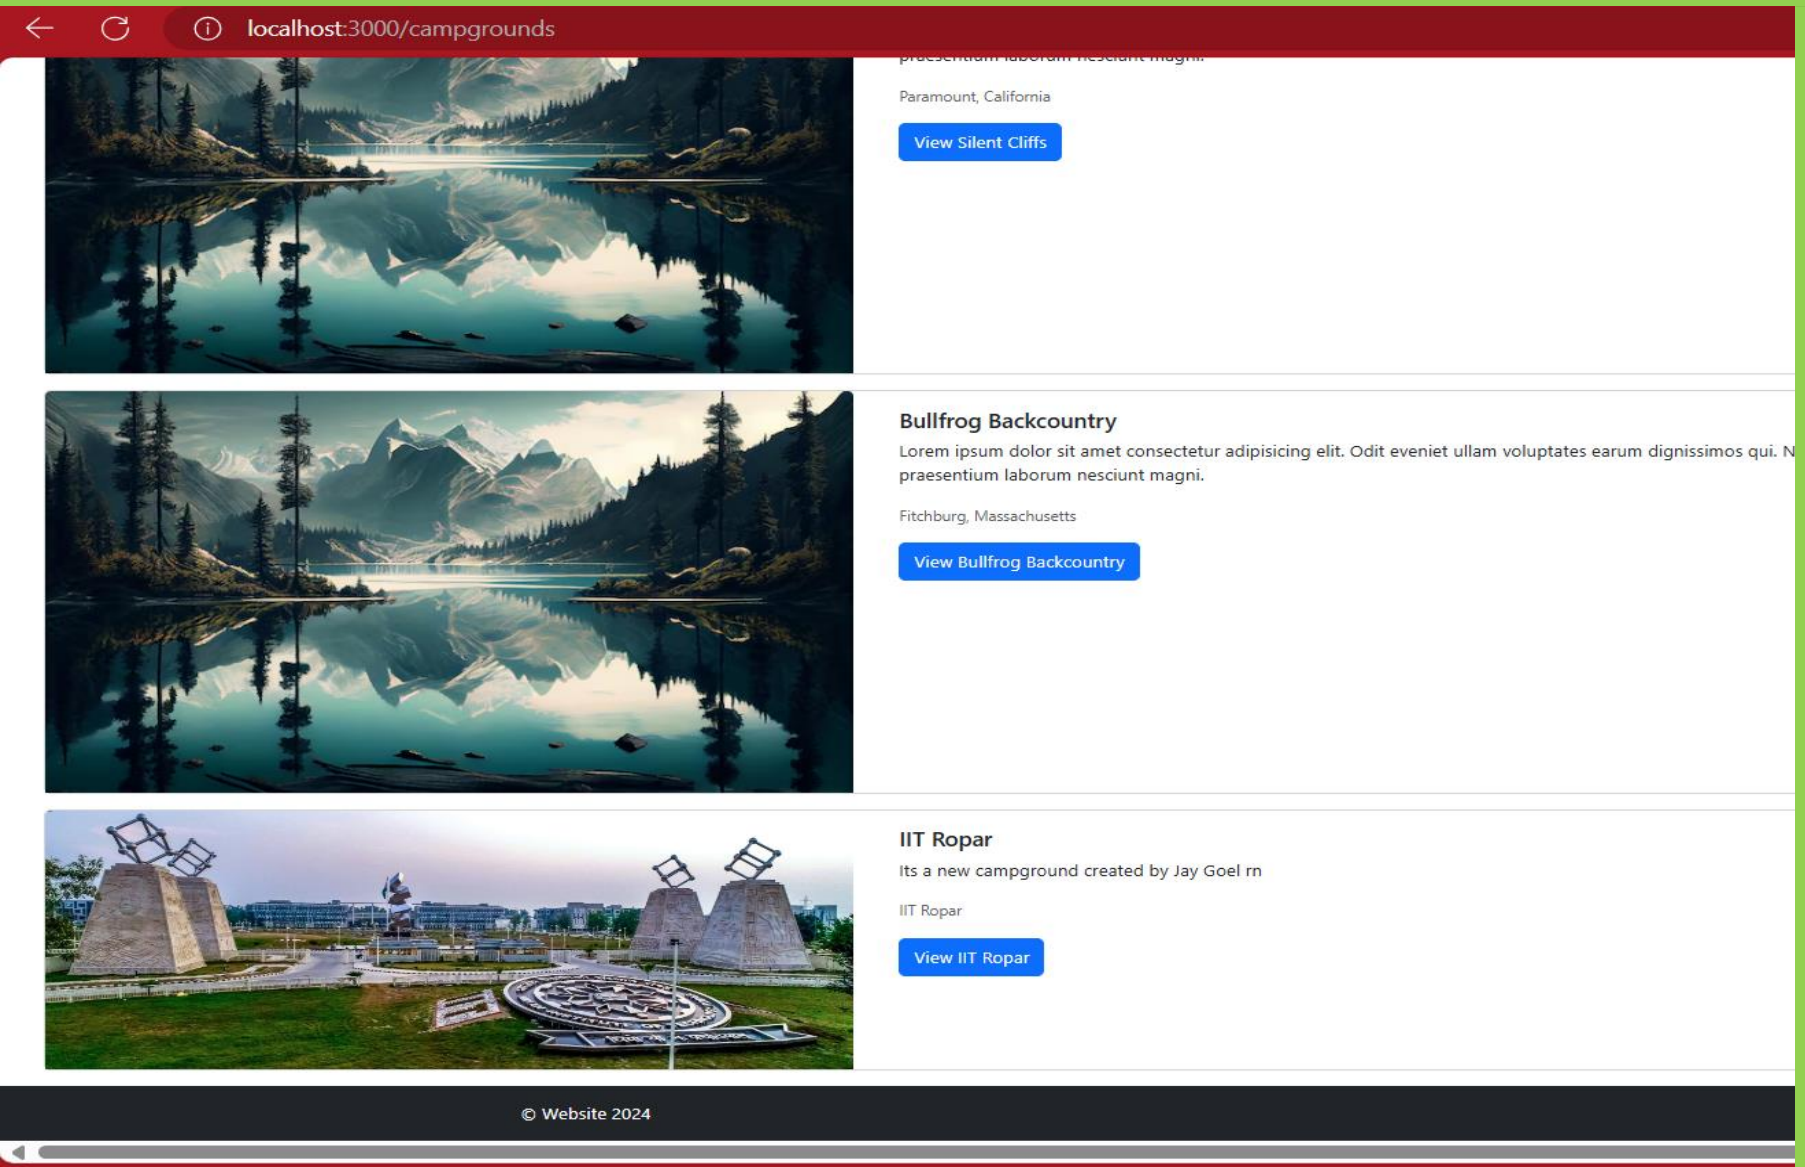
Updated Campground



New Campground



New Campground (in campgrounds page)



Key Details :

- You can see a new campground is thus updated with the name of IIT Ropar.
- You can only edit this with the login details you created it, it cannot be changed by any other user.
